INTERNATIONAL STUDENTS SCHOLARSHIPS

International Undergraduate Students

The College of Saint Rose will offers four options for students to provide test scores in seeking scholarship consideration. In addition to the two current options — ACT and SAT — the College will now considers TOEFL and IELTS, both measures of English proficiency.

Prospective international undergraduate students will be considered with their high school GPA and the highest of their scores on any one of four exams: ACT, SAT, TOEFL or IELTS. We will only consider the student's highest score so that the applicant is eligible for the most valuable scholarship award.

Students seeking athletic scholarships will continue to provide ACT or SAT scores, per NCAA rules.

Native English speakers from Canada, the UK, Australia, New Zealand, Ireland, and other countries will continue to submit SAT or ACT score to be eligible for academic scholarships.

Our friendly community is the perfect environment for international students. We are a campus where each student is an individual, not just a number. Classes are small, usually with about 20 students, so you have the opportunity to get to know your professors and classmates in a supportive academic climate.
