## College of Saint Rose Graduation Rate Report Student Right-to-Know Act

Graduation rate information is provided to comply with the Higher Education Act of 1965, as amended. The rates reflect the graduation status of first-time, full-time students who enrolled in the Fall of 2007 and for whom 150% of the normal time-to-completion of a four-year, undergraduate degree has elapsed.

## Fall 2007 First-Time Freshmen

|   | Number of<br>Students in<br>Cohort | Number<br>Graduating<br>within 6 Years | Graduation Rate |
|---|------------------------------------|--|-----------------|
| Financial Aid Category                            |                                    |  |                 |
| Pell Grant Recipients                             | 166                                | 93                                     | 56%             |
| Subsidized Stafford Recipients Not Receiving Pell | 241                                | 160                                    | 66%             |
| Students Receiving Neither Pell nor Stafford      | 204                                | 153                                    | 75%             |
| By Gender   |                                    |  |                 |
| Female  | 456                                | 316                                    | 69%             |
| Male  | 155                                | 90                                     | 58%             |
| By Race/Ethnicity                                 |                                    |  |                 |
| American Indian or Alaska Native                  | 0                                  | 0                                      | -               |
| Asian   | 9                                  | 6                                      | 67%             |
| Black or African American                         | 20                                 | 13                                     | 65%             |
| Hispanic/Latino                                   | 34                                 | 15                                     | 44%             |
| Nonresident Alien                                 | 10                                 | 6                                      | 60%             |
| Race/Ethnicity Unknown                            | 45                                 | 25                                     | 56%             |
| Two or More Races                                 | 6                                  | 3                                      | 50%             |
| White   | 487                                | 338                                    | 69%             |
|   |                                    |  |                 |
| Total   | 611                                | 406                                    | 66%             |

- Graduation rates are based on cohorts of full-time, first-time, first-year students and do not include students who have transferred into the college from another institution.
- Because providing substantial preparation for students to enroll in other institutions is not part of the mission of the college, transfer-out rates are not calculated.
