### **Help Renovate the Men's and Women's Basketball Team Rooms!**

The College of Saint Rose athletics department is excited to announce a new fundraising campaign to support the renovation of the men's and women's basketball team rooms in the Events & Athletics Center. Several gifts have already been made during the silent phase of the campaign, including a leadership commitment from Barry Hughes, CPA/Associate Professor in the Huether School of Business,

This is part of an ongoing effort to keep Saint Rose basketball on par with every competitive and established basketball program in the Northeast-10 Conference and NCAA Division II.
